THE UNITED STATES' 200th ANNIVERSARY. OUR COVER GIRL WAS MUCH IN THE PUBLIC EYE DURING THE EVENT AS ONE OF THE WORLD'S LAST GREAT SAILING SHIPS AND SHE RETURNS REGULARLY TO VISIT NEW BEDFORD. THESE SHIPS, OF ALL MAN MADE THINGS, SURVIVE AS THE MOST ALIVE AND BEAUTIFUL. THEY GROAN, THEY SING AS THEY TAKE FLIGHT IN THE WIND AND THEY MAKE MEN. AS TRAINING SHIPS THEY HAVE NO EQUAL AS BOYS GO TO SEA TO LEARN THE OLD ADAGE "ONE HAND FOR THE SHIP; ONE HAND FOR YOURSELF" AND EMERGE FROM THAT TRAINING AS SAILORS AND MEN. THESE SHIPS ARE THE LAST GREAT ROMANTIC METHODS OF TRAVEL ON THE OCEAN. NOTHING SO INSPIRES THE IMAGINATION AND CERTAINLY NOTHING TAKES FLIGHT SO BEAUTIFULLY. A SALUTE TO THE "EAGLE".

Christmas Vespers

MATTAPOISETT CONGREGATIONAL CHURCH

Don't settle for T.V., radio or recordings when you can hear it live! Come to the Christmas Vespers of the Mattapoisett Congregational Church on Sunday, December 17th, at 5 P.M. in the sanctuary. Honestly now, I doubt that for miles around there is any more inspiring and enriching sounds than those of this Senior Choir. They will be singing; the Christmas Story will be dramatically presented. Gifts of food and other "goodies", wrapped in white (for anonymity, you know), will be accepted, or you may wish to express your Christmas joy in the offering. Come and rejoice with us!

Thank You

Christmas Concert

FAIRHAVEN UNITARIAN CHURCH

The Creative Arts Council of the Fairhaven Unitarian Memorial Church will present the choir and guest musicians in the annual Christmas Concert on Sunday evening, December 17th, at seven o'clock. A delightful program of carols, instrumental music and readings will be given under the direction of Herbert H. Bowker, organist and choir director.

The featured soloist will be Orlando Pandolfi, gifted vibraphonist, the son of John R. Pandolfi, widely-known director of the Regional Symphonic Band. Mr. Pandolfi plays both the marimba and vibraphone; and has studied with Fred Buda of the Boston Symphony Orchestra and with David Samuels and David Friedman of New York City. He is currently living in New York, continuing his studies and playing with the Pit Orchestra in off-Broadway versions of "The Fantasticks", "The Medium" and other productions. For the concert he will play from the works of Bach, Friedman, Young and others.

Mr. Bowker will be heard in organ numbers to open and close the program; also in the brilliant Noel Polonais by Guilmant. Henry B. McGowan, tenor soloist of the church, will sing; and the choir will be heard in many beautiful arrangements of carols old and new. The audience will join

MATTAPOISETT

May we remind all Senior Citizens that our last big bus trip of the year will be our trip to La Salette and the Taunton Green to see the Christmas lights and decorations. The bus will leave from St. Anthony's Church at 4:00 P.M. on Thursday, December 21st. Please be sure to make your reservations as soon as possible. Telephone 758-3758 or call at the Selectmen's Office at the Mattapoisett Town Hall on Monday or Thursday between the hours of 10:00 A.M. or 12:00 Noon for all reservations.

We were very late in obtaining tickets for the Christmas dinner and party put on for Seniors by the students at Southeastern Massachusetts University, but those who were fortunate enough to attend reported that they had a very fine time and spoke very highly of the kindness and courtesy of the students who put on the affair. I believe that this is the first time that tickets have been available to Mattapoisett Seniors. Next year we will try to arrange for others to go. Our thanks to S.M.U. and the hard-working students who put this entertainment on.

Cartoon Festival

CHILDREN'S CARTOON FESTIVAL AT ORR

The members of the Old Rochester Girls' Athletic Association are sponsoring a Walt Disney Cartoon Festival on Saturday, December 16th, at 1:30 P.M.

Each year we have tried to give Moms and Dads a chance to be free for an afternoon of "special" Christmas shopping while the small ones are attending the show.

High School girls will be there to help watch the little ones during the show.

The show is set to run from 1:30 to 4:00 P.M. with a small intermission for selling food and soda.

The cartoons will feature many of our favorite characters such as Daffy Duck, Road Runner, Bugs Bunny, Donald Duck, Sylvester and Tweety, and many many more.

Admission is charged and any questions should be directed to Mr. Rodrigues at the Old Rochester Regional High School, 758-3745.

FIELD WALK

Acclimatization is a word that will soon become a familiar term to all of us in this age of increasing consciousness concerning the plight of the environment and energy. Acclimatization means becoming in tune with the natural world, understanding it, developing a knowledge and concern for its needs, functions and limits, and realizing how we are very much responsibly a part of it. The Museum Outdoors will have an acclimatization field walk at 10 A.M. on Saturday, December 16th, free to all ages so that all ages can understand and appreciate their natural surroundings.

painting. Mrs. Eleanor Perry from Dartmouth will offer instruction in simple designs to ages 5 and up. Requirements for this program are: each child must bring a T-shirt that is at least 50% cotton and is a light color; also a piece of thick cardboard to fit inside the T-shirt, and, if possible, a soft brush for painting. This program is limited to 35 children, so please call ahead. There is a small cost for non-members. The program starts at 2:00 P.M. in Russells Mills.

Little League Basketball

Tryouts will be held for anyone who wishes to play basketball in the Mattapoisett Little League on Saturday, December 16th, from 10:00 to 12:00 Noon at the Center School in Mattapoisett.

Although the league plays all of its games at the Old Rochester Regional Junior High School, the tryouts are held in the Center School so that players can get there easily. Anyone between the ages of 9 through 12 is invited. As was the case in previous years, only persons who are not members of a team have to go to the tryouts. Some changes in the coaching positions is anticipated this year and anyone who is interested in coaching in the league should contact Bill Quinlan (758-2708) or outgoing recreation director Sheila Mitchell (758-4340) as soon as possible. The league schedule will begin shortly after the Christmas vacation and it is anticipated that there will be some new additions to the schedule.

The Recreation Commission also plans to run a league for boys between the ages of 13 and 15. The number of teams in this league will depend on the interest of those involved. Announcements, concerning this

TEST SERIES IN ORR SCHOOL DISTRICT

The schools in Marion, Mattapoisett, Rochester and the Old Rochester Regional School District tested students in grades 2, 4, 6, 8 and 10 in March 1978. The California Achievement Test, 1970 Ed., was used in conjunction with the Short Form Test of Academic Aptitude. This achievement test is a norm referenced test in that the standard scores were set by testing a large sample population nationwide. The Old Rochester Regional District chose this test series because of the variety of reports available, including reports on where students should be as well as where they actually are in relation to the test.

The scores are reported in grade equivalents and relate to the time the test was taken. For example, the time of testing for grade two indicates that they should have a grade equivalent of 2nd year, 6th month, or 2.6. Similarly, grade four should be at 4.6, etc.

TURKEY SHOOT

The Sippican Rod and Gun Club will hold its monthly Turkey Shoot on Sunday, December 17th, from 1:00 to 4:00 P.M. on the clubhouse grounds at Dexter Lane in Rochester.

Shotgunners will compete from 40 yards with 12, 16 and 20 gauge shotguns. Participants may use their own guns, or ones available at the clubhouse. The Sippican Club will also hold a .22 caliber rifle and pistol shoot, along with their normal shotgun event. Because of its popularity, a pheasant shoot will also be held.

Once again, the Club will have a junior .410 gauge shotgun event. Participants for these shoots must be under 16 years of age. Women are also invited to participate in all shoots. If there is enough participation, the Club plans to hold "women only" shoots.

The clubhouse will be open and refreshments will be available. Those interested in becoming a member may obtain applications from the clubhouse.

ROYAL BALLET PRESENTS
"THE SLEEPING BEAUTY"

Pyotr Ilyich Tchaikovsky's SLEEPING BEAUTY, one of the greatest of classical Russian ballets and arguably the composer's finest ballet score, will be presented by the Royal Ballet direct from London's fabled Royal Opera House, Covent Garden, and telecast Saturday, December 16, at 8:30 P.M. on Channel 2, WGBH TV.

Mikhail Baryshnikov hosts and narrates this magnificent production, with acclaimed dancers Merle Park and David Wall in the starring roles.

A traditional Christmas favorite, THE SLEEPING BEAUTY was Tchaikovsky's first ballet success; its premiere in St. Petersburg followed the first production of "Swan Lake" (1876), but the superior production and better choreography of THE SLEEPING BEAUTY (1890) ensured its place in the repertoire first. The current version staged by the Royal Ballet is directly based on the original choreography by Marius Petipa.

THE SLEEPING BEAUTY is a co-production of BBC-TV and Metromedia Producers Corporation. It is the first complete ballet transmitted by satellite from Europe to the U.S.A. for viewing the same evening.

Apply leaves around the base of the candle and aluminum foil ball, overlapping as shown. Moisten each edge with water as leaves are overlapped to make sure they stick together.

A coat of varnish, shellac, or lacquer will protect the sculpture from humidity and moisture.

SALT SCULPTURE DOUGH
2 cups flour (not self-rising)
1 cup Morton Salt
1 cup water

Combine flour and salt in a large flat-bottomed bowl, and mix well with spoon. Next, add water (a little at a time) mixing as you pour to form the dough into a ball. Additional water may be needed, depending on the humidity. Take care not to add too much so dough becomes sticky. Knead 7 to 10 minutes until dough has a smooth, yet firm, consistency. Place dough that will not be used immediately in a plastic bag to keep it from drying.

Place finished pieces on foil-covered cookie sheet and place in 325-350 degree oven. Allow to bake one-half hour for each 1/4-inch of thickness, or until golden brown. If sculptures pull up, reduce oven temperature by 50 to 75 degrees and poke piece with pin or toothpick to release air.

CHRISTMAS CUSTOMS AROUND THE WORLD

Christmas is the most universally celebrated holiday. It is a festival that is shared by people all over the world, both from a religious and a social point of view.

Christmas cookies are popular holiday treats in many countries. Pfeffernusse, Norwegian Kringle and Swedish Spritz are classic European favorites which have been adopted by Americans.

Here is a cookie recipe which you will want to add to your holiday favorites. Peanut Pfeffernusse is a new version of the old German recipe using the all-American peanut. Finely chopped Planters Cocktail Peanuts add a crunchy texture and nutty flavor to these spicy cookies.

UNITED CEREBRAL PALSY NEEDS TELETHON VOLUNTEERS

United Cerebral Palsy Association is gearing up for their 1978 telethon, to take place on December 30th and 31st. The Telethon, an exciting yearly event, provides the opportunity for the community to take part in the "behind the scenes" activity that is connected with such a tremendous undertaking. It also enables the individual to experience the benefits of providing the funds by which programs for the developmentally disabled are supported. Through our Telethon pledges we are able to provide outreach, education, socialization, camperships, special equipment, and many of the other support services that are badly needed by our consumers.

Telethon activity includes volunteers to accept telephone pledges, perform clerical work, act as pledge verifiers, food handlers, runners, shift supervisors etc. Volunteers come from everywhere; schools, clubs, civic and social organizations as well as institutions, businesses, industry, etc. It also presents an opportunity for people at home who have wished to participate in a rewarding area.

The United Cerebral Palsy Telethon needs your involvement. Without it nothing can happen. With your help we can put it all together and make it happen. For further information please call the United Cerebral Palsy office at 583-3335.

New opportunities have emerged in technology because of the tremendous expansion of scientific knowledge of mankind, according to Dean Charles Uppvall of Wentworth Institute of Technology. "In virtually every phase of engineering and science the need for uniquely qualified specialists has become evident. These specialists, known as engineering technicians and engineering technologists, comprehend scientific theory, possess mathematical competence and have acquired specialized capabilities in the practical aspects of one of the established fields of engineering," he said.

FIRE SAFETY IS FOR THE WHOLE FAMILY

A fire is no fun..but fire safety, especially when the whole family practices it together, really can be fun. Here are some fire safety rules you can practice at home.

1. Plan two escape routes from every room. It's important. Fire often blocks a door or a window, but you won't lose a minute in your escape if you've planned escaping two different ways from each room.

2. Practice home fire drills. Planning and thinking about what you'll do in case an emergency is really not enough. You've got to practice escaping, and meeting in a pre-planned place outside and away from the house. As soon as you think all the members in your family have gathered outside the house, count noses to be sure everyone is safe.

3. Installing smoke detectors is a family business -- checking to be sure they're in good working order and that
